AFC PURCHASE ORDER TERMS AND CONDITIONS

This Purchase Order includes and is subject to the following covenants, terms and conditions.

1. OFFER. ACCEPTANCE, MODIFICATION. Written acceptance of this Purchase Order, commencement of performance of any work or services, or shipment of goods, pursuant to this Purchase Order shall constitute acceptance of this Purchase Order. Such acceptance is limited to these terms and conditions. All terms and conditions proposed by Seller that are different from or in addition to this Purchase Order are expressly rejected by Buyer. No purported verbal agreement or other understanding that attempts in any way to modify the conditions of the agreement resulting from this Purchase Order will be binding upon Buyer. Any modification to this Purchase Order shall be made only in writing signed by both parties to this Purchase Order.

2. PRICE. This Purchase Order shall not be filled at prices higher than those specified on the Purchase Order, unless otherwise agreed to in writing by the Buyer. The price specified on this Purchase Order includes all costs, including without limitation all subcontracting costs associated with this Purchase Order. Buyer shall have no responsibility for any increased costs incurred by Seller in connection with any subcontractors, suppliers or other third parties unless such additional costs shall have been negotiated and agreed to in writing by Buyer.

- The prices specified on this Purchase Order include all federal, state and local taxes, tariffs, duties and similar fees that Seller is required by law to collect from Buyer and from which Seller cannot obtain an exemption and that Buyer is required to pay. Such taxes, tariffs, duties and fees shall be separately stated on Seller's invoices and shall be paid by Buyer, unless an exemption is available. Seller shall be solely responsible for the remittance of all such taxes to the proper taxing authorities. Seller shall submit evidence as required by Buyer that all such required taxes have been collected and paid.

- Unless otherwise agreed to in writing by the Buyer, the price specified on this Purchase Order includes all charges for packing, crating, cartage, storage, drayage, and transportation to the F.O.B. point. Seller shall pay all delivery charges in excess of what Buyer has agreed to pay.

- Seller warrants that the prices will comply with applicable government law and regulations.

3. SHIPPING AND PACKING. Seller agrees to properly pack, mark and ship goods, both complete and broken packages and/or cartons, in accordance with the requirements of Buyer and involve carriers in a manner to secure the lowest transportation costs. All shipments shall be routed in accordance with instructions from Buyer. Seller agrees to properly mark each package with the purchase order number, and where multiple packages comprise a single shipment, to consecutively number each package. All shipments shall be accompanied by a packing slip, which clearly and accurately describes the articles in English, provides the correct classification identification of the goods being shipped in accordance with Buyer's instructions, states the Purchase Order number, and shows the shipment's destination. Seller agrees to promptly forward the original bill of lading or other shipping receipt for each shipment in

accordance with Buyer's instructions. No charges will be allowed for packing, crating, cartage, storage, drayage, and transportation unless stated in this Purchase Order.

- Equipment shipped hereunder must be shipped without oil or any other fluids and must comply with all Buyer's specifications concerning compliance with local, state, and federal environmental regulations, including, but not limited to, those dealing with air pollution control, waste water control, chemical usage, and employee exposure. Seller shall bear all liability for spillage if the shipment does not so comply.

4. DELIVERY — RISK OF LOSS. Deliveries shall be made both in quantities and at times specified on the face of this Purchase Order or in Buyer's schedules and time is of the essence. Buyer shall not be required to make payment for goods delivered to Buyer that are in excess of quantities specified in Buyer's delivery schedule on this Purchase Order or in written releases issued by Buyer. Buyer may reject any deliveries made after or before the specified delivery date.

- In the event Seller fails to meet the agreed upon delivery requirements for reasons other than those specified in paragraph 13 below, and Buyer requires a more expeditious method of transportation for the goods than the transportation method originally specified, Seller shall ship the goods as expeditiously as possible at Seller's expense.

- Seller will, upon Buyer's request, suspend shipment and delivery of goods or performance of work and operations for such periods as Buyer may request. Buyer will not be held liable for the manufacture by Seller in advance or delivery of any good in advance of Buyer's schedule. At Seller's cost, Buyer may, at its option, return all goods received by Buyer in advance of scheduled delivery dates.

- Unless provided otherwise in this Purchase Order, all goods shall be sold F.O.B Buyer's destination. Seller shall be responsible for and bear the risk of any loss or damage to the goods until accepted by the Buyer.

5. INVOICING. Seller agrees to promptly render after delivery of goods or performance of services, correct and complete invoices to Buyer and to accept payment by check or, at Buyer's discretion, other cash equivalent (including purchase cards or electronic transfer of funds). Payment shall be due net 60 following Buyer's receipt of a complete and accurate invoice. Buyer may withhold payment pending receipt of evidence, in such form and detail as Buyer may direct, of the absence of any liens, encumbrances, and claims on the goods or services provided under this Purchase Order. Buyer may set off any amount owed by Seller or any of its affiliated companies to Buyer, against any amount owed by Buyer to Seller under this Purchase Order.

6. WARRANTIES OF SELLER. Seller represents, warrants and covenants that the services and goods, as applicable, will be performed and/or delivered as follows: (a) in a professional, good and workmanlike manner; (b) using reasonable care consistent with not less than the highest industry standards; (c) by personnel of Seller having a level of skill in the area commensurate with the requirements to be performed; (d) in accordance with and compliance with all applicable laws; (e) in compliance with the specifications; and (f) within the time frames set forth in the Purchase Order, if no time frame is specified, within a reasonable time. Seller further represents, warrants and covenants that all goods will be: (i) new and merchantable, free from defects in design, workmanship, and materials; (ii) suitable for their intended purpose; (iii) free and clear of any liens, claims, interest or encumbrances of any kind; and (iv) in conformance with this Purchase Order, specifications, drawings, samples, and descriptions furnished to or by the Buyer. Seller further represents, warrants and covenants, that it: (A) has the right to provide the services and goods to Buyer, and (B) will provide the services and goods without

infringement or violation of any patent, copyright, trademark, technical information, know-how, trade secret, proprietary information, contractual or proprietary right, or other intellectual property right(s). All goods and services are subject to Buyer's inspection. Payment for, inspection of, or receipt of goods or services shall not constitute acceptance of the goods or a waiver of any breach of warranty.

7. REJECTION OF GOODS. Nonconforming or defective goods may be returned to the Seller for, at the Buyer's option, full credit or replacement with new goods at the Seller's risk and expense, including all expenses for labor, line stoppages, line shutdown, variable overhead, materials, and lost productivity in dealing with or removing the defective parts, and all charges for handling, sorting, packaging and transportation both ways. No replacement of nonconforming goods may be made except as authorized by a replacement Purchase Order signed by Buyer.

8. PRODUCT IDENTIFICATION AND TRACEABILITY. Seller agrees to provide 100% lot control identification and traceability for all items within this Order. Product lot control identification must be legible, indelible and permanently affixed to each product package and/or container.

9. CHANGES. Buyer, at any time, in writing may make changes in the drawings, designs and specifications of the goods or otherwise change the scope of the work covered by this Purchase Order, including work with respect to such matters as drawings, designs, specifications, inspection, testing or quality control, the method of packing and shipping, the place of delivery, shipping instructions, and quantity or delivery schedules. Seller agrees to promptly make such changes. If such changes affect the cost or time required for performance, and if Seller makes claim for adjustment in writing to Buyer within five (5) days of receipt of notification of change, the parties may agree to an equitable adjustment, such adjustment to be in writing and mutually agreed upon. If Seller fails to make a claim for adjustment, such claim for equitable adjustment is waived and the Purchase Order shall be deemed to be modified. Seller shall diligently continue performance of the Purchase Order, as changed, pending agreement on the amount of an equitable adjustment. Nothing contained in this Purchase Order shall relieve or excuse Seller from proceeding without delay in performing this Purchase Order as changed. Seller shall not make any change in design, processing, packing, shipping, or place of delivery without Buyer's prior written approval.

10. TERMINATION FOR BANKRUPTCY. Buyer may immediately terminate this Purchase Order without liability upon the happening of any of the following or any other comparable event: (i) insolvency of the Seller; (ii) filing of a voluntary or involuntary petition in bankruptcy by or against Seller; (iii) appointment of a receiver or trustee for Seller; (iv) any accommodation by Buyer, financial or otherwise, not contemplated by this Purchase Order, that is necessary for Seller to meet its obligations under this Purchase Order; or (v) execution of an assignment for the benefit of creditors by Seller, provided that such petition, appointment, or assignment is not vacated or nullified within fifteen (15) days after such event. Seller will reimburse Buyer for all costs Buyer incurs in connection with any of the foregoing whether or not this Purchase Order is terminated, including, but not limited to, all attorneys' or other professional fees.

11. TERMINATION FOR CONVENIENCE. In addition to any other rights of Buyer to cancel or terminate this Purchase Order, Buyer may terminate all or any part of this Purchase Order at any time and for any reason by giving written notice to Seller. Upon receipt of such notice, Seller will immediately stop work on this Purchase Order or the terminated portion thereof, and notify any subcontractors to do likewise. Buyer shall pay to Seller the Purchase Order price for all goods or services that have been completed in accordance with this Purchase Order and not previously paid for. Where articles or materials are to be specifically manufactured for Buyer hereunder and where Seller is not in default, an equitable

adjustment shall be made to cover Seller's actual cost, excluding profit, for work-in-process and raw materials as of the date of termination to the extent such costs are reasonable in amount and are properly allocable or apportionable under generally accepted accounting principles to the terminated portion of this Purchase Order. Buyer will not be liable for any charges or expenses incurred by Seller in advance of the normal lead time necessary to meet scheduled delivery dates nor for any expenses, charges or liability incurred subsequent to the giving of notice of cancellation. Buyer will make no payments for finished goods, work-in-process, or raw materials in amounts in excess of those authorized by Buyer or for any undelivered goods which are in Seller's standard stock or which are readily marketable. Seller shall submit any claim to Buyer within thirty (30) days after the date of termination or such claim shall be waived. Payments made to Seller under this Section 11 represent the sole responsibility of Buyer and the sole and exclusive remedy of Seller in case of cancellation of the Purchase Order and Seller agrees not to charge any other costs, expenses or fees to Buyer nor shall Buyer be liable for any other costs, expenses or fees arising out of the cancellation or termination of the Purchase Order under this Section 11.

12. TERMINATION FOR DEFAULT. In addition to any other remedies or rights afforded by law, Buyer reserves the right to cancel all or any part of this Purchase Order, for default of Seller, if Seller: (i) repudiates or breaches any of the terms of this Purchase Order, including Seller's warranties; (ii) fails to perform services or deliver goods as specified by Buyer; or (iii) fails to make progress so as to endanger timely and proper completion of services or delivery of goods, and does not correct such failure or breach within ten (10) days after receipt of written notice from Buyer specifying such failure or breach. If Buyer terminates its purchase obligations pursuant to this Section 12, Buyer shall have no obligations to Seller in respect of the terminated portion of this Purchase Order and Buyer's liability shall be limited to the delivered portion of this Purchase Order at the rate specified on the face hereof. Buyer shall be entitled to recover all damages or losses attributable to such repudiation, breach, or failure by Seller.

13. EXCUSABLE DELAYS. Neither party shall be liable for a failure to perform that arises from causes or events beyond its reasonable control and without its fault or negligence, including but not limited to acts of God or the public enemy, actions by any domestic or foreign governmental authority (whether valid or invalid), fires, riots, wars, sabotage, acts of terrorism, labor problems (including lockout strikes and slowdowns), or inability to obtain materials. The affected party shall give written notice of such delay, including the anticipated duration thereof, to the other party within ten (10) days of the beginning of the delay. If Seller is the affected party, Seller shall take all reasonable action, including, but not limited to, utilizing temporary production facilities or a temporary workplace, or moving existing tooling to third party production facilities in order to ensure that the supply of product meets the requirements of this Purchase Order. During the period of such delay or failure to perform by Seller, Buyer may purchase goods from other sources and reduce its schedule to Seller by such quantities without any liability. If requested by Buyer, Seller shall, within ten (10) days of such request, provide adequate assurances that the delay shall not exceed thirty (30) days. If the delay lasts more than thirty (30) days or Seller does not provide adequate assurances that the delay will cease within thirty (30) days, Buyer may immediately cancel this Purchase Order without liability.

14. LABOR DISPUTES. Seller will provide at least four months' written notice to Buyer prior to the scheduled expiration of any current labor contract. If requested by the Buyer, Seller will establish, at Seller's expense, a 30-day inventory of finished goods, at a site mutually agreed upon with Buyer, prior to the expiration of any such labor contract. Seller will notify Buyer immediately of any actual or potential labor dispute delaying or threatening to delay the timely performance of any open purchase order.

15. PATTERNS, TOOLS, AND EQUIPMENT. Buyer shall have title to and the right of immediate possession of any pattern, tools, jigs, dies, equipment or materials furnished or paid for by Buyer, and Seller shall not use such tooling while in its possession for any work other than that of Buyer. In the event Seller purchases such tooling with Buyer's funds or is reimbursed by Buyer, Seller shall execute a Bill of Sale and any and all other documents necessary to transfer title free and clear of any liens to Buyer. While in Seller's possession, such property shall be held by Seller as a bailee and shall be maintained in good and usable condition at no further cost to Buyer. Seller shall maintain and administer a program for the maintenance, repair and preservation of such property, and appropriate identification of its ownership in accordance with sound industrial practice. When requested, Seller shall furnish inventory schedules on the property, or return the property to Buyer in the condition in which it was received, except for reasonable wear and tear and consumption in the normal performance of work for Buyer. Any material furnished by Seller and paid for by or charged to Buyer shall be owned by Buyer and held by Seller as a bailee and Seller shall assume the risk for any damage or loss thereto. Seller shall indemnify and hold Buyer, its agents and employees, harmless against all claims, demands, liabilities, costs and expenses, based upon or arising out of the use, storage or handling of the equipment and/or tooling until returned to Buyer's possession. Seller shall sign, or hereby authorizes Buyer to sign on its behalf, any documents deemed reasonably necessary by Buyer, to be filed with Federal, State or local officials to record Buyer's title and interest in any patterns, tools, jigs, dies, equipment or materials furnished or paid for by Buyer.

16. NON-DISCLOSURE OF INFORMATION, DESIGNS AND DATA. Seller agrees not to make any use of the data, drawings, specifications or other engineering or business information furnished or disclosed by Buyer except for the performance of this contract. Seller agrees not to disclose such data, drawings, specifications or other information to any third party except for the performance of this contract and under similar restrictions against use and disclosure. Upon completion, cancellation or termination of this contract, Seller will promptly return to Buyer such data, drawings, specifications and other information, including any copies made by Seller. Seller shall not, in any manner, without first obtaining the written consent of Buyer, advertise or publish the fact that Seller has contracted to furnish Buyer the goods or services herein ordered, and shall not, in any manner, use any trademarks or trade names of Buyer in Seller's advertising or promotional materials. In the event of Seller's breach of this provision, Buyer shall have the right to cancel the undelivered portion of any goods or services covered by this Purchase Order and shall not be required to make further payments except for conforming goods delivered or services rendered prior to cancellation.

17. INTELLECTUAL PROPERTY. Seller warrants that any materials, supplies or other goods furnished by Seller or its affiliates to Buyer will not infringe any United States or foreign patent, trademark, copyright, or mask work right by reason of their manufacture, use or sale, and will not misuse or misappropriate any trade secret.

- Seller agrees to (i) indemnify, defend, and hold harmless Buyer, its agents, employees, successors and customers against all such claims, demands, losses, suits, damages, liabilities and expenses (including reasonable attorneys' fees) arising out of any suit, claim or action for actual or alleged direct or contributory infringement of, or inducement to infringe, any patent, trademark, copyright, or mask work right by reason of the manufacture, use, or sale of the goods or services obtained pursuant to this Purchase Order, including infringement arising out of compliance with specifications furnished by Buyer, or for actual or alleged misuse or misappropriation of a trade secret resulting directly or indirectly from Seller's actions; (ii) waive any claim against Buyer under the Uniform Commercial Code or otherwise, including any copyright or mask work right infringement or the like, including claims arising out of compliance with specifications furnished by Buyer; and (iii) grant to Buyer a worldwide, non-exclusive, royalty-free, irrevocable license to repair and have repaired, to reconstruct

and have reconstructed, the goods ordered by this Purchase Order. Seller assigns to Buyer all right, title and interest in and to all trademarks, copyrights and mask work rights in any material created for Buyer under this Purchase Order.

18. INDEMNIFICATION AND INSURANCE. Seller shall indemnify, defend, and hold harmless Buyer, its agents, employees, customers, and users of its and their products against any and all suits, actions or proceedings, at law or in equity, and from any and all claims, demands, losses, judgments, damages, costs, expenses, or liabilities, including reasonable attorneys' fees, resulting from, whether directly or indirectly, or in any way connected with the performance of this contract by Seller or the goods provided hereunder, or with respect to matters and allegations that the goods are defective, unfit or unsafe, or that the goods do not meet applicable laws or regulations, even if the loss results from the, concurrent or partial negligence of Buyer. At Buyer's request, Seller shall defend such claims or suits at Seller's expense by reputable counsel satisfactory to Buyer.

- Seller shall, at its expense, maintain insurance coverage in amounts satisfactory to Buyer for Workers' Compensation, Employer's Liability and Comprehensive General Bodily Injury and Property Damage. Seller shall furnish Buyer with certificates setting forth the amounts of coverage, policy number(s) and expiration date(s). If further requested by Buyer, such certificates will provide that Buyer shall receive thirty (30) days prior notification from the insurer of any termination or reduction in the amount or scope of coverage and further, if requested by Buyer, will list Buyer as an additional insured. Seller's purchase of appropriate insurance coverage or the furnishing of certificates of insurance shall not release Seller of its obligations or liabilities under this Purchase Order. In the event of Seller's breach of this provision, Buyer shall have the right to cancel the undelivered portion of any goods or services covered by this Purchase Order and shall not be required to make further payments except for conforming goods delivered or, services rendered prior to cancellation.
